

FOLLOW ME!

Star solo

Follow me, follow me,
I will take you to the stable,
I'll shine and shimmer,
Glow and glimmer,
Lead you all the way.
Follow me, follow me,
I will take you to the stable,
With sparkle-tastic,
Great-galactic
Star quality!

I'm made for this role,
I will give it my all,
I will twinkle more than ever before.
I will shine very bright,
So I light up the night
And point the way to Jesus for you.

All

Follow me, follow me,
I will take you to the stable,
I'll shine and shimmer,
Glow and glimmer,
Lead you all the way.
Follow me, follow me,
I will take you to the stable,
With sparkle-tastic,
Great-galactic
Star quality!
