| <p>Please choose at least one of the following homework tasks every week. Please complete the homework tasks ready for marking every Wednesday for your children to have the opportunity to share anything they have made, drawn or completed. Where possible, work can be completed and stuck in their homework book however, other creative pieces can be brought in separately. Please tick/ highlight any tasks as you complete them.</p> <p>Remember to read, practice spellings and a times table of your choice in addition to this homework.</p> | | | |
| Write an acrostic poem about the Victorians or Queen Victoria. | Write a list of 5 things invented during Victorian times and they were important inventions. | Go on a walk around your village or a village nearby and, using the knowledge gained in class, hunt for houses you think may have been built in Victorian times. Take some photographs. | Make a quiz about the Victorian to test your friends, family or me! |
| Measure out the ingredients for a Victorian Sponge and bake it. Take a photograph of you measuring and the finished product. | Research 10 Kings and Queens from the past. Create a bar chart to compare the length of time they were on the throne. | Design a stamp for Victorian times and annotate it to explain why you chose the design. | Write a letter as if you were Queen Victoria to a friend about being Queen. |
| Research and create a fact file about a famous Victorian Artist. | Research what food Victorians ate and design a menu for a day. | Make a 3D model or draw a picture of a form of Victorian transport. | If you were Queen or King, what new laws would you pass? Think of at least 5 laws and why. |
